

GIVE KIDS GOOD SCHOOLS PLEDGE

I believe that every child in America deserves a quality public education. Therefore, I support the *Give Kids Good Schools* "Eight Characteristics that Make a Quality Public School" and I pledge to work in my community to make sure that:

- High expectations are set for every student
- Parents and community members are actively engaged in their school
- Qualified teachers are present in every classroom
- Rigorous curriculum and fair assessments are used to measure students' progress
- Resources are available at each school to help kids succeed
- Schools are safe and healthy places for students
- Classrooms are equipped for teaching and learning
- Strong school leadership

Isn't it time we work together to *Give Kids Good Schools* now!?!
