

## ***GIVE KIDS GOOD SCHOOLS PLEDGE***

I believe that every child in America deserves a quality public education. Therefore, I support the *Give Kids Good Schools* “Eight Characteristics that Make a Quality Public School” and I pledge to work in my community to make sure that:

- ✓ High expectations are set for every student
- ✓ Parents and community members are actively engaged in their schools
- ✓ Qualified teachers are present in every classroom
- ✓ Rigorous curriculum and fair assessments are used to measure students’ progress
- ✓ Resources are available at each school to help kids succeed
- ✓ Schools are safe and healthy places for students
- ✓ Classrooms are equipped for teaching and learning
- ✓ Schools are supported by strong leadership

**It’s time we work together to *Give Kids Good Schools!***
